

Product information:

The CIP-series is a complete range of products by PROCAB which is mainly dedicated to all kinds of multimedia connectivity and media accessories. It features products which allow you to get the most out of the multimedia files stored on your personal media players. These cables and accessories allow you to enjoy your audiovisual files through your home and car entertainment system. The CIP705 is an audio adapter cable that starts from one male stereo jack 3.5mm and leads to two female stereo jack 3.5mm connectors. This item is mostly used for splitting a headphone signal.
