

Product information:

The CIP-series is a complete range of products by PROCAB which is mainly dedicated to all kinds of multimedia connectivity and media accessories. It features products which allow you to get the most out of the multimedia files stored on your personal media players. These cables and accessories allow you to enjoy your audiovisual files through your home and car entertainment system. The CIP708 is a cable that can connect an audio signal by the means of its two male 3.5mm stereo jack connectors.
