

Highlights:

- Flexible PVC jacket
- 28 AWG thin and dense stranded conductors
- 0.16 " (Ø) outer diameter
- Oxygen free copper
- Spiral shielding

Product information:

The CLA725 is fitted with two RCA male connectors on one side and one RCA male connector on the other side, constructed using the MC703 cable. The easy to handle PVC jacket is excellent for fixed indoor and mobile applications. The inner conductors are fitted with a durable shielding. This gives an excellent protection against interference of all kinds such as electromagnetic fields produced by dimmers, electric motors or power cables. Available in a length of 1.5 meters.

Components:

- CableType: MC703 - Microphone Cable

Properties:

Product Features:

Application	AV & IT
Series	Classic Series
