Product information:

The CSD630 is a fully featured Slimline USB Type-C to USB Type-C connection cable, connecting compatible devices with each other. The fully featured construction supports all USB Type C functions up to a length of 5 meters. This includes AV signals up to 8K @ 60 Hz (DP Alt mode), USB 3.2 Gen 2x2 (20 Gbps) data rates, backwards compatibility with USB 2.0 and power delivery up to 100W (20V/5A) or 60W (20V/3A) depending on its length. The triple-shielded cable with a super slim design of only Ø 5.2 mm offers a clean solution for desktop use and patch connections.

Properties:

Product Features:

Application	AV & IT
Series	Connect Series

Physical Characteristics:

Outer jacket	Colours	Black
	Material	LSHF 5.2 mm (Ø)

Variants:

- CSD630B/0.5 - Black version - 0.5 meter
- CSD630B/1 - Black version - 1 meter
- CSD630B/1.5 - Black version - 1.5 meter
- CSD630B/2 - Black version - 2 meter
- CSD630B/3 - Black version - 3 meter
- CSD630B/5 - Black version - 5 meter
