Product information:

This 16-page brochure includes detailed information about our extensive slimline range within the AV & IT category. These sleek data cables offer unparalleled performance for your permanent setups while preserving an incredibly thin cable design. Ranging from USB Type-C cables up to 5 meters long to CAT7 multi-colormulti-coloureded patch cables for tidy rack installations, this unique collection encompasses more than just data cables. It also features video cables capable of handling up to 8K resolution.

PROCAB

Slimline

Smart or slim cable management. Why not both?

Product Features:

Application	AV & IT
