

**Product information:**

1 meter sample pack of the CCT50U. The CCT50U is a CAT5E installation networking cable featuring a Flamoflex™ outer jacket compliant to the IEC 60332-1 standard regarding fire and flammability resistance in public installations. The Flamoflex™ material is specifically designed with installers convenience in mind, offering a smooth and durable outer jacket for easy installation and pulling. The conductor section consists of 4 pair solid 24 AWG conductors guaranteeing an optimal signal transmission. CCT50U Supports 10Base-T, 100Base-TX and 1000Base-T gigabit.

**Properties:**

 Meter indicator	 LSHF	 IEC 60332
 HD Base T Compliant	 CAT5E 100 MHz	

**Inner Conductors:**

**Product Features:**

Application	AV & IT
	Rental & MI
Series	Bulk & Accessories
